Note:

Certain amount of size and shade variation is inherent in all ceramic products. Our conformity to the above fact applies only to the quality standards. Colours shown are as accurate as the limitations of the printing process will allow. Prospective customers are advised to inspect a sample of the tile before placing an order.

Every effort has been made to ensure the accuracy of the information provided. However, the company reserves the right to change specifications without prior notice. Sometimes, variations in shade or size, being inherent to the ceramic industry, may occur. It is strongly recommended to check the tiles before purchase and laying, as the company does not accept any responsibility once the tiles are laid.

Thank you
